

COIL- PROJECT

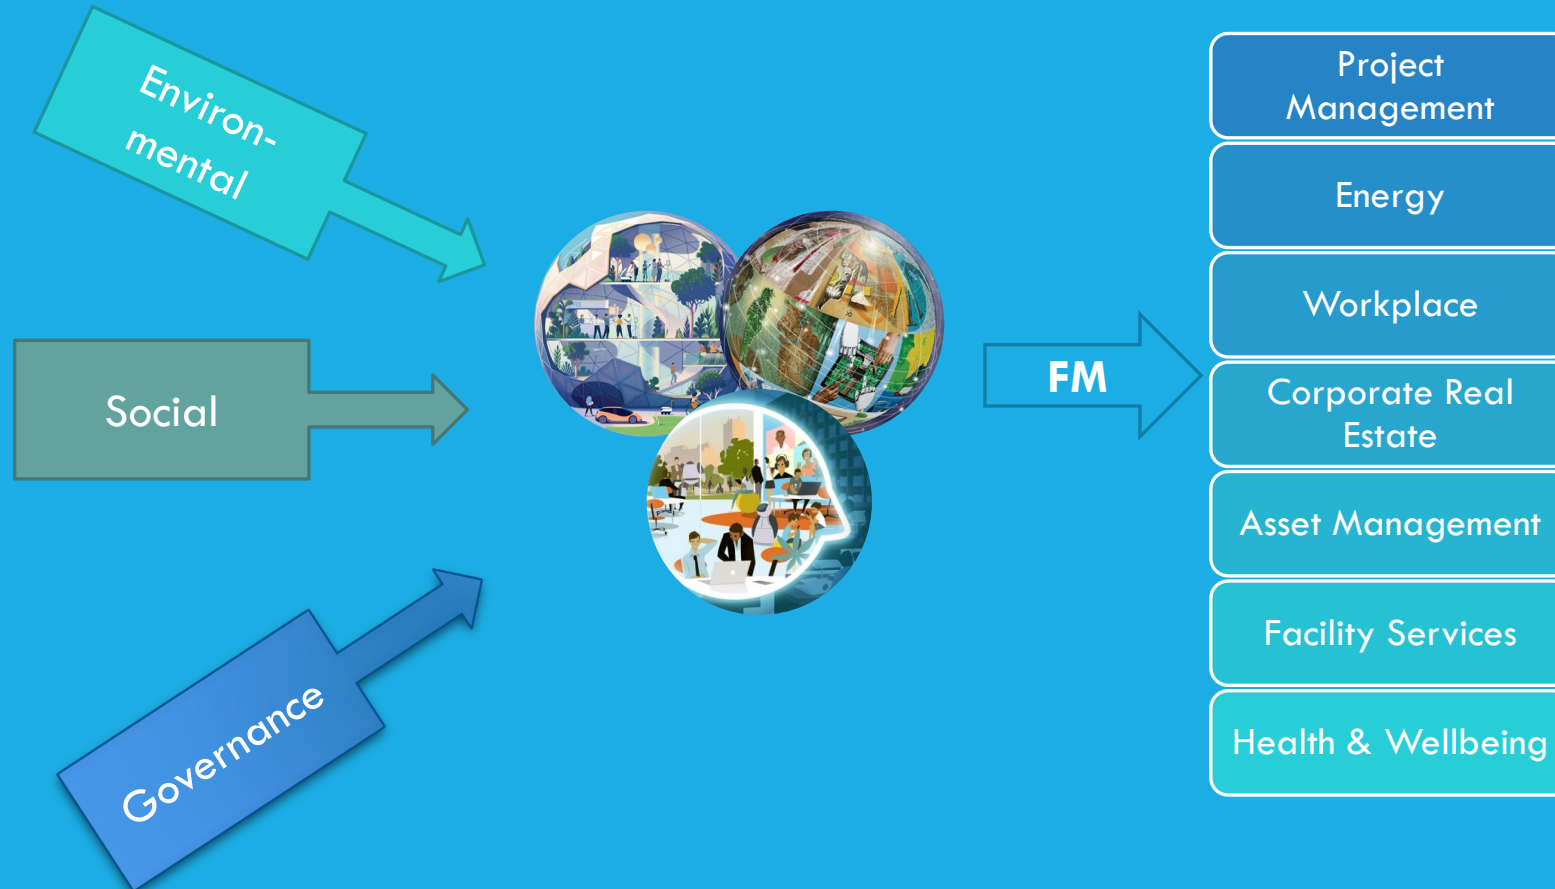

ESG - FM'S ROLE AND CONTRIBUTION

COLLABORATIVE ONLINE INTERNATIONAL LEARNING

FALL SEMESTER 2023 (4 ECTS)

ESG... FM'S ROLE AND CONTRIBUTION

ESG - Environmental Social Governance - Discover and analyse in your international team the implications of Regulation (EU) 2022/852 for FM and design your vision of FM's role and contribution to support it.
A unique project - let's make it together practical and tangible, theory based, diverse and creative with fun.

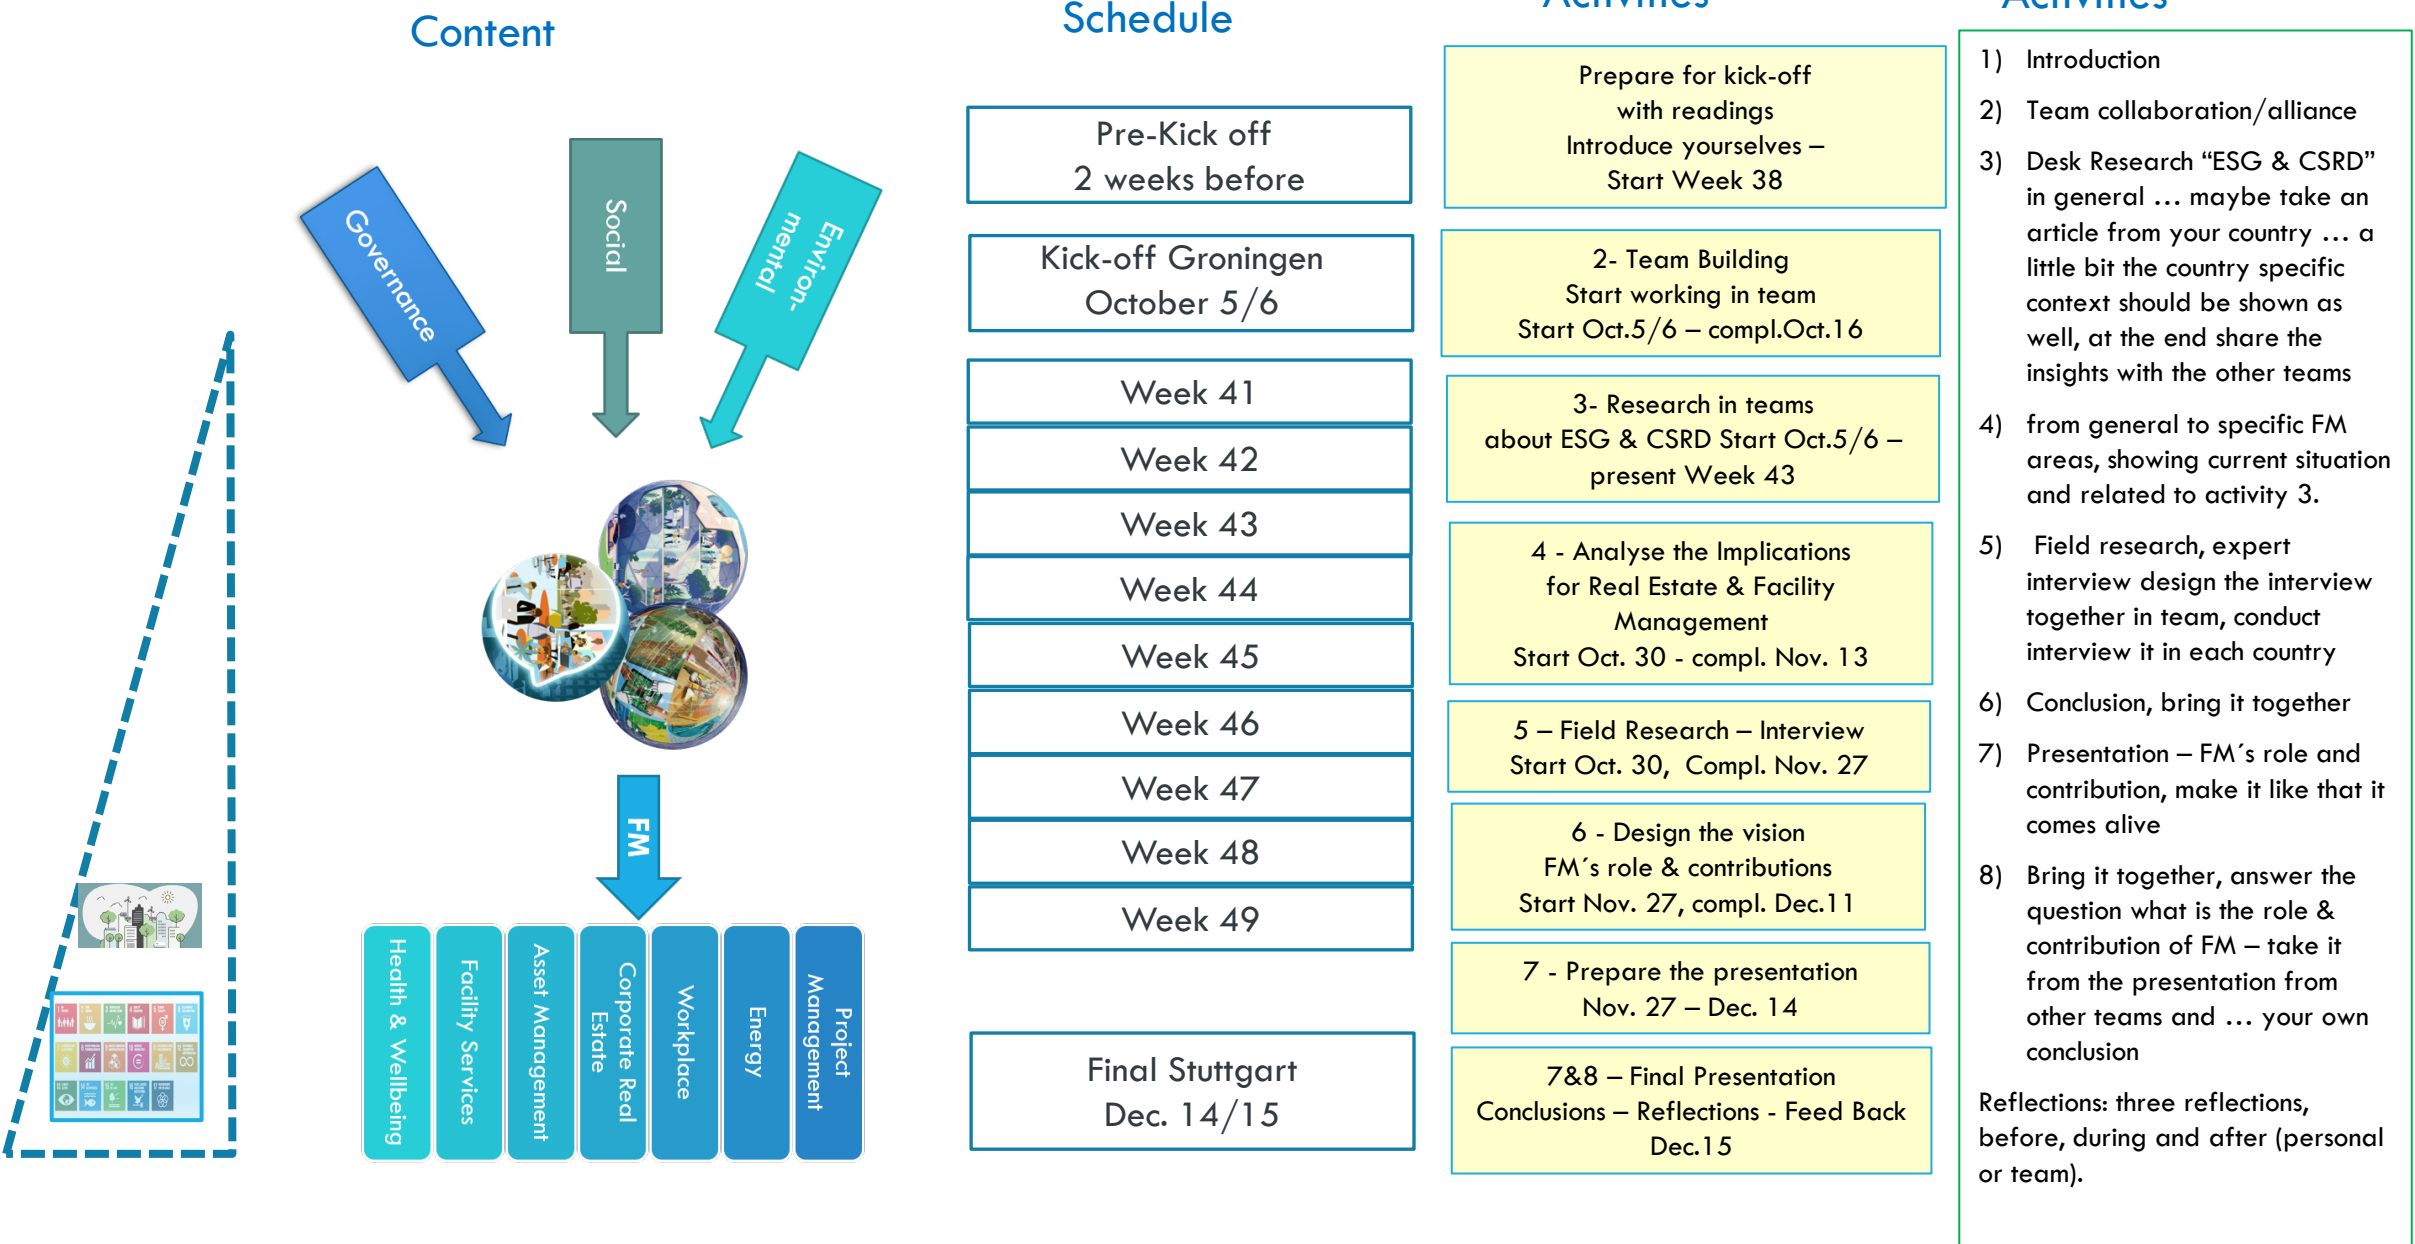

Be part of the international Team

You will work in an international team. You will meet your teammates live for the kick-off in Groningen on October 5/6. Thereafter you will work collaboratively, step by step, in your teams, usually at the times you decide within your team, and meet online at least once a week. For the final event you will meet live in Stuttgart on December 14/15. You will be coached by the participating universities. The workload of this course corresponds to around 4 ECTS.

Time Table

- Week 38 Introduction, Pre-Kick-off activities with lecturer from your university
- Oct. 5th/6th **live** Kick-off in Groningen, starting at noon Oct 5th @ Hanze
- Week 41-49 working in int. Teams
- Dec. 14th/15th **live** final event in **Stuttgart**

Your trip to Groningen and Stuttgart

October 5th / 6th live Kick-off @ Groningen

We will meet on Oct. 5th @ Groningen at noon and we will work in your teams on both days. For the evening on Oct. 5th we have a social program for all teams together. On Oct. 5th usually the teams plan something together.

December 14th / 15th live Final @ Stuttgart

We will meet on Dec. 14th in Stuttgart at 1pm and we will work on Thursday @ DreSo Campus in Stuttgart and on Friday @ DHBW Campus Stuttgart. For the evening on Dec. 14th we have a social program for all teams together. On Dec. 15th usually the teams plan something together.

You will plan your trip individually or together with your university. Maybe your university has some financial support for your travel. Recommended accommodations: Groningen - [Simplon Hotel](#) or [The Social Hub](#). Always have a look on Airbnb or maybe your teammates could organize something. Detailed programmes follow.
