Connecting. Inspiring. Shaping the Future of FM.

*Together we strengthen education, expand opportunities
and build the next generation of FM professionals.*

EuroFM brings together universities, researchers and industry partners across Europe to strengthen Facility Management education and create lasting international impact.

Inspire Growth & Collaboration

- Become part of a strong European academic network
- Collaborate on international programmes and initiatives
- Exchange knowledge and best practices with leading FM institutions

Increase Visibility & Impact

- Strengthen your international profile
- Position your programme within the European FM landscape
- Contribute to shaping the strategic future of FM education

Empower Students & Lecturers

- Student Challenge at EuroFM Conference & World Workplace Europe
- Autumn & Winter Schools
- Blended Intensive Programmes (BIP) & COIL collaborations
- Student & EuroFM Ambassador network
